You asked me to remind you to request from D. Butler once he was appointed that we try to reschedule the hearing for for Tues. July David and Lessie- the hearing in this Docket is currently scheduled for July 12th. My witness is going to be out of the country that week. I am going to be on vacation with my family the next week. I am hoping we can move this hearing.

Would Tuesday the 6th be a possibility for either of you? If not, could we look at July 26th or thereafter? Many thanks for your consideration.
